Test Case	Input	Expect Output	Actual Output
New Admission Interface.	Student details (all the textboxes).	Record added successfully.	
Student Search Interface.	Invalid student number.	Student number does not exist.	

Test Case	Input	Expect Output	Actual Output
Update Student Interface.	Invalid student number.	Record not found.	 <p>The screenshot shows a web interface with a dark blue background. On the left, there is a search bar with the number '10' and a 'View' button. On the right, there are input fields for 'Email ID', 'Contact Number', 'School', and 'Address'. A modal dialog box is open in the center, titled 'Error', with a close button (X) and the message 'Record not found'. There is an 'OK' button at the bottom of the dialog.</p>
Update Student Interface.	Correct student number and updating.	Record Updated.	 <p>The screenshot shows the same web interface as above. The search bar now contains the number '10'. The modal dialog box is titled 'Update' and contains an information icon (i) and the message 'Record Updated'. There is an 'OK' button at the bottom of the dialog. The background fields for 'Email ID', 'Contact Number', 'School', and 'Address' are visible, with some values like 'njhgf', '7255', 'Roya', and '8th lar Kegall' partially visible.</p>

Test Case	Input	Expect Output	Actual Output
